WELCOME TO

NEWNAN

FROM THE OFFICE OF MAYOR KEITH BRADY

By Ashley Copeland, Communications Manager

Mayor Keith Brady

Welcome to the City of Newnan, Georgia!

Located just 35 miles southwest of downtown Atlanta, nestled in Coweta County, our City sits as the county seat and is home to more than 40,000 residents and growing in the City. As we continue to grow, we are thankful for a community of folks who hold a deep love and commitment for our City and the surrounding area.

Since our City's beginnings in 1828, Newnan, also known as the "City of Homes," features some of the states of Georgia's most beautiful homes and commercial buildings. The houses are represented by the antebellum and Victorian styles that dominated Newnan's early and mid-19th century development and were spared from the Civil War's ravages.

Newnan also includes six nationally registered historic districts, all on the national register.

Today, Newnan stands as a planned center of growth that blends beautiful residential areas with a solid business community. The City is an ideal environment for living and working, offering state-of-the-art City and public safety services and a public school system – ranked excellent by the Georgia Department of Education.

Recreationally our community offers biking, swimming, team sports, and golfing. In addition, to a new trail path, the LINC, a 26-mile linear park that facilitates recreation, connectivity, and economic sustainability.

Newnan has a charming historic downtown with thriving businesses, shops and restaurants poised for growth. As it continues to grow and develop due to continued support from volunteers, local businesses, partnering organizations, and sponsors who all share a belief that a vital downtown is an essential component to

the integrity of a community. The Main Street Newnan program is one of Georgia's elder Main Street programs and has served as a liaison between the City of Newnan and the business community, local and regional economic development groups, and the non-profit sector since 1986.

To ensure that we continue to maintain the quality of life for all residents in Newnan, the Newnan City Council has adopted a Comprehensive Plan and a Short-Term Work Program for the City. The Comprehensive Plan connects Newnan's rich history to our present life, visualizes our dreams for the City's future, and ensures that we maintain the highest service levels for our residents.

We are grateful for our Newnan Police Department and Newnan Fire Department, who maintain the public safety of our citizens, and the numerous committed volunteers who serve our community on boards, commissions and authorities daily. Without question, our outstanding residents make Newnan such a wonderful place to live and work.

You are sure to find Newnan pleasant because of the warm and friendly environment it provides.

For more information about the City of Newnan, please visit **www.cityofnewnan.org**. If we can be of service to you, please contact **770-253-2682**.

GOLF CART CAPITAL OF THE WORLD!

Welcome to Peachtree City

By Brianne Van Scotter,
Public Communications Specialist

Is Peachtree City a good place to live? There is no question that Peachtree City is a wonderful place to live! Peachtree City is an idyllic master-planned community that dates back to 1959 when a collection of real estate developers first founded the city. Fast forward 62 years, and Peachtree City is now most known for its 100-plus miles of multi-use path system.

Peachtree City is made up of distinct villages and neighborhoods that form this 24-square-mile suburb. Located just 30 miles from the heart of Atlanta, Peachtree City is bustling with young families, single professionals and retirees. With a focus on natural balance, Peachtree City has three large lakes and over 40 parks to enjoy. However, the real gem of the city is the relaxed golf-cart lifestyle. Peachtree City residents can go days without having to drive a car; most opt to run errands, go to work, or drop their kids off at school via golf cart. With a population at just over 36,000 residents and a bit under 10,000 registered golf carts, residents have mastered the multi-use paths to get them from the north side of the city to the south side without the hassle of any traffic.

Therefore, now that you have joined the Peachtree City community, it is highly recommended to get a golf cart, not only to easily get around town but you may want to join one of the many golf cart parades Peachtree City hosts. The multi-use path system is not only designed for golf carting, it is meant to serve as a recreational activity as well. The path system was designed to accompany bikers, joggers and walkers by providing them scenic nature routes throughout the city.

If your children's education is of utmost importance to you, Peachtree City is home to some of the top schools not only in the state but also in the country. For example, McIntosh High School is rated the 13th Best Public High School in the State of Georgia.

On top of award-winning schools, Peachtree City has for the second time earned a national accolade as one of the best places to live in the United States. Money magazine and CNN/Money

ranked Peachtree City eighth in the country among cities with more than 14,000 people. The "Best Places" list was compiled by weighing data such as economics, education and safety factors, which counted twice as much as arts, leisure and park space. Money writers also consulted residents and community leaders to gather information.

In its online write-up, CNN/Money credited the quality of the school system, the low crime rate, and also noted was the structure of the city. "Despite tremendous sprawl around Atlanta over the past decade, Peachtree City bursts with green, thanks to a rule that limits development and commercial signage," the article notes.

Peachtree City residents are not accustomed to boredom, thanks to the many activities, restaurants, the multi-use path system and green spaces. If you are a foodie, Peachtree City offers a variety of cuisine options that range from American bistro, sushi and farm-to-table. Peachtree City is also home to craft brewer, Line Creek Brewery. You can spend the day shopping at *The Avenue*, which is filled with high-end boutique retailers that include, Williams-Sonoma, Books a Million and Victoria's Secret. If the outdoors is more your scene, you can go on a geocaching adventure and explore over 300 hidden finds.

Peachtree City also hosts a multitude of city-wide events that include Sunset Sounds at Drake Field, and a yearly 4th of July parade and fireworks display. You can learn to fly or take a flight! If aviation is of interest to you, you can take flying lessons or just take a scenic ride at the Atlanta Regional Airport, better known as Falcon Field. Mark your calendars, as the Falcon Field is also host to the Atlanta Air show, which comes around annually in May. Alternatively, stop by The Dixie Wing Museum, an organization that preserves and highlights aircrafts throughout American history

With over 40 parks and Line Creek Nature, Preserve Peachtree City is a nature lover's dream. Kids are never bored in Peachtree City! There is a BMX bike, a hockey rink, and skate park, multiple tennis courts, two public pools, a splash pad for younger children and two stunning recreational facilities: Kedron Fieldhouse and Aquatic Center and Glenloch Recreation Complex. The recreational facilities offer kids camps and a variety of classes for children and adults. If you consider your dog to be your fur child, not to worry – Peachtree City has a dog park that boasts three different play areas for your furry family members.

Nevertheless, you will want to catch a concert at The Fred Amphitheater during the beautiful summer months. There is a weekly farmers' market that is filled with local produce, crafts and food. From art festivals to food festivals, Peachtree City has an abundance of events happening throughout the year. Holidays are big in this town; you can always expect Santa visits, Halloween extravaganzas and Easter egg hunts!

Whatever your reason is for choosing Peachtree City as your new home, we happily welcome you and your family to our community!

LOCAL TIP

"A map of the golf cart trails to be able to get to your destination in PTC. Also, 4th of July activities, road races, arts and craft festivals when and where (Shakerag Festival 2021). Plus Frederick Brown Jr. Amphitheater concert dates." **– Selina S.**

Golf cart registration, please call or visit city hall.

It's said that "dog is man's best friend." And we won't quibble with that. (*After all, we are a pet friendly community.*) What we will say is there are many other best friends to be made. Just ask our residents. They love exercising together, playing games together, eating together, shopping together, laughing together. In short, being together. If that sounds like fun to you, call to schedule a friendly tour.

We think it will be a treat.

WELCOME HOME.

Welcome to COWETA COUNTY

You will love it!

By Gary Welden,
Local Resident and Owner
of Welden Financial

Why does the Welden family live in Coweta County?

My grandchildren are the sixth generation of several family bloodlines to call Coweta County home. If you were born in this county and I am not kin to you, my grandchildren probably are! People ask what is it about Coweta County that causes people to stay or come back. The answer is not a short one.

There is a sense of community in Coweta County, the feeling that we are in this together – no one has to do anything alone.

If you are new to Coweta County, I want to offer suggestions on how you can become a member of the community.

If you like the arts, the place that our family enjoys visiting is **"The Donald W. Nixon Centre for the Performing and Visual Arts."** The Centre is part of the Coweta County School System and has a variety of excellent programs. If you want to become more involved, you should consider becoming a member of the Centre Patrons whose goal is to support the programs of the Centre so the next generations can enjoy the programs of the Centre. **www.thenixoncentre.net**

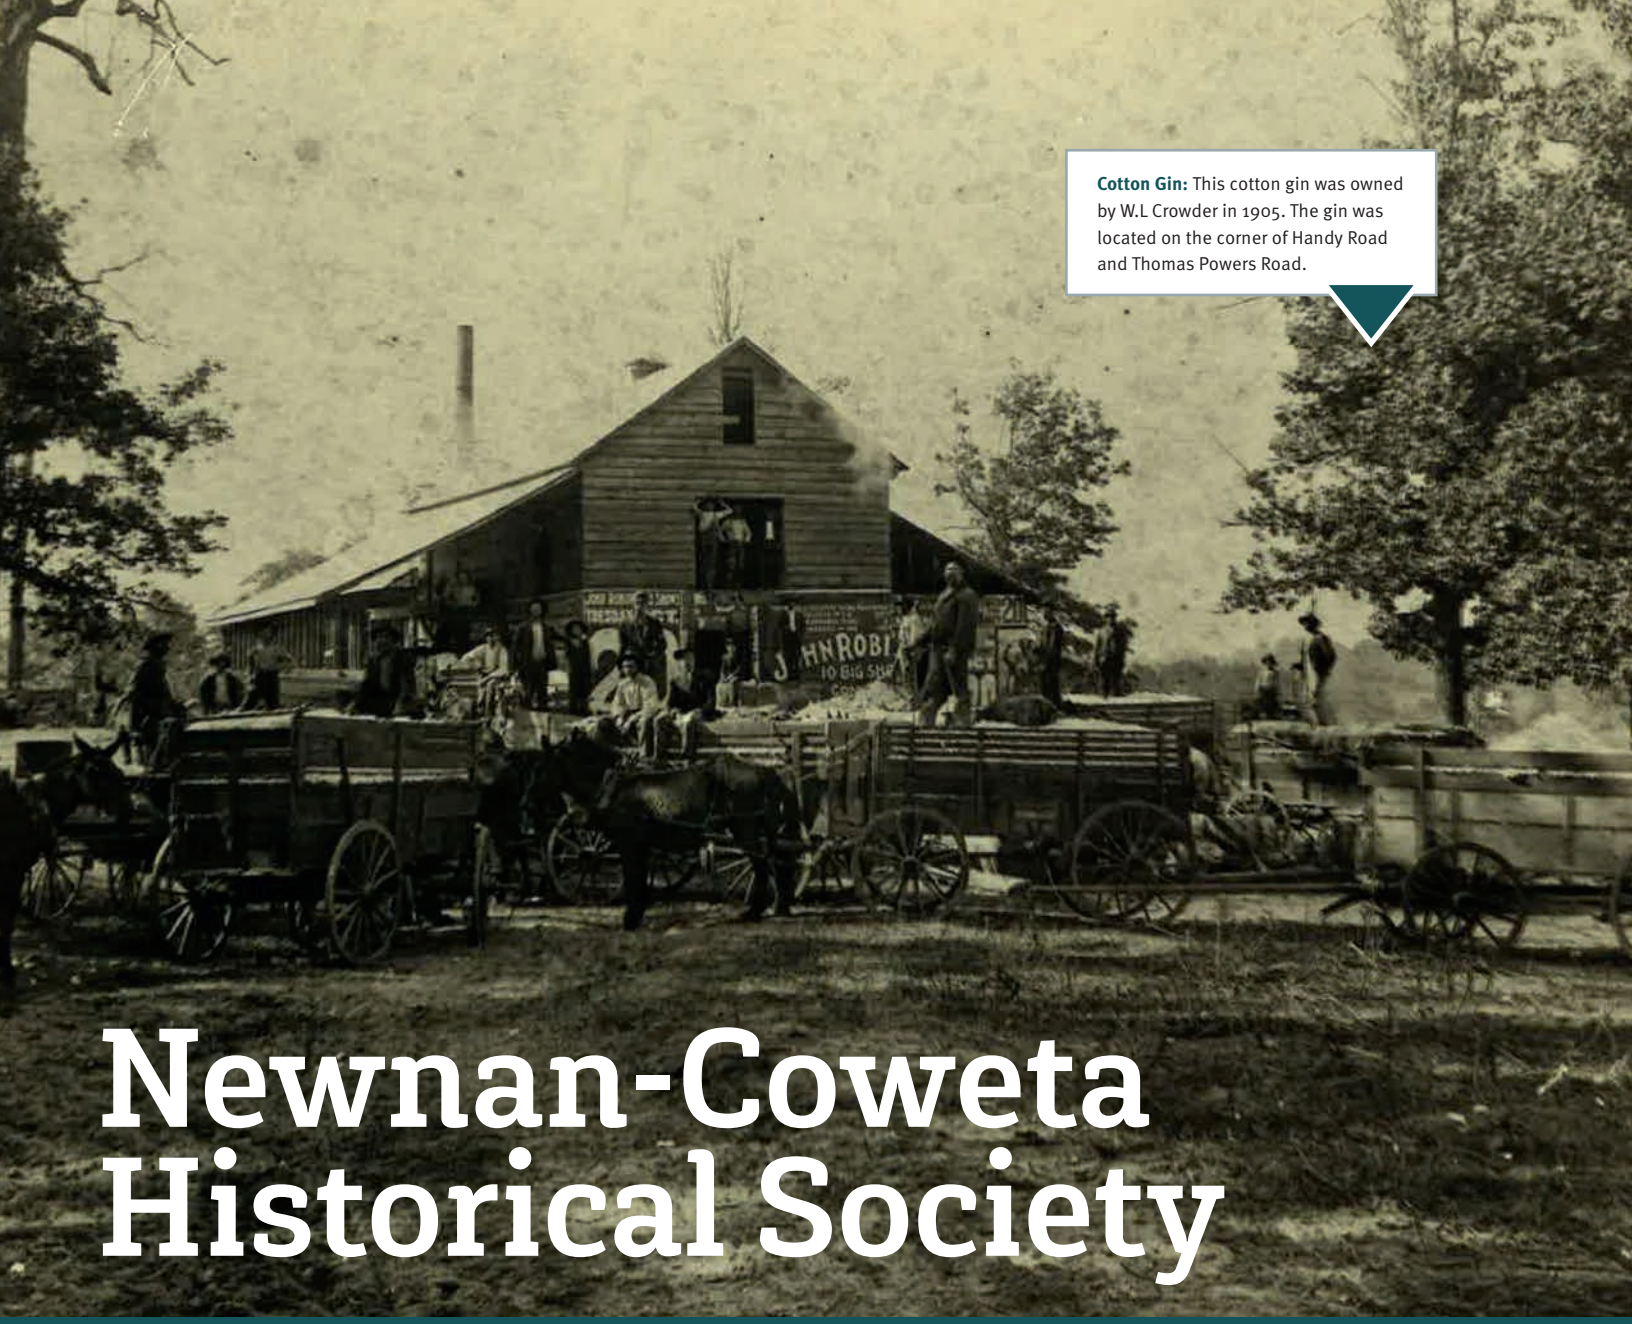

Humans are one of the few species of animals that prepare meals for and have fellowship with others while eating. That said, I really enjoy the fellowship and a good meal! Coweta County has a very informative Facebook page: **"Restaurant Reviews of Coweta and Fayette Counties"** is a great place to find suggestions on where to join friends or family for a meal.

In addition to a good school system and the county library system, another place you can learn while meeting good people is the "Newnan Carnegie Library." The Library is not a part of the county library system but is owned by the City of Newnan and operated by the Newnan Carnegie Library Foundation. Programs vary from book and meeting the authors of current books, to classes on Exercise in Medicine, which is a group exercise program. The Carnegie has programs for children as well as adults. **www.newnancarnegie.com**

Everyone needs to learn about history. The Newnan Coweta Historical Society, **www.newnancowetahistoricalsociety.com**, and the Senoia Area Historical Society, **www.senoiaareahistoricalsociety.org**, are wonderful resources for informative programs and museums.

Downtown Newnan, www.mainstreetnewnan.com, and Downtown Senoia, **www.facebook.com/enjoysenoia/**, are always having events that are enjoyable and a good place to learn more about our county.

If you want to know why six generations of my family call Coweta County home, get out and get involved. It will not take long before you will not want to leave either!

Newnan-Coweta Historical Society

NEWNAN: "CITY OF HOMES"

By Emily Kimbell, Director of Newnan-Coweta Historical Society

The Muscogee/Creek Indians are believed to be the very first settlers of the Newnan and Coweta County area. Named by Scotch-Irish settlers because of the numerous creeks surrounding the area, the Creek Indians inhabited the western part of Georgia from the Ocmulgee River to the Chattahoochee River. Most famously of the Native American Trails in Coweta County was McIntosh Trail—a trading route which ran from Chief William McIntosh's home at Indian Springs to his 640-acre reserve in Carroll County near Whitesburg. It was Chief McIntosh who played an instrumental role in changing Coweta lands from Native American control to the white settlers' hands.

Alan Jackson is a popular American singer/songwriter born and raised in Newnan, Georgia, known for his honky-tonk and country-pop style. Throughout his career, he has sold over 75 million records worldwide and had 66 songs appear on the Billboard Hot Country Singles and Tracks chart. Jackson is the recipient of two Grammy Awards, 16 CMA Awards, 17 ACM Awards, member of the Grand Ole Opry, and an inductee of the Georgia Music Hall of Fame.

After Coweta's land was ceded from the Muscogee and parsed out through the lottery system, the area sustained much growth and influx of white settlers. In 1828, the city of Newnan, the current county seat, was incorporated. The city was named after North Carolina native General Daniel Newnan, a decorated soldier

Historic Newnan Home: This impressive Second Empire Victorian house located in Newnan's Greenville-Lagrange Historic District was built in 1890 by Charles and Callie Parrott. Since its construction, the home has been renovated, won several awards from the Georgia Trust and National Trust of Historic Preservation, and been used as the set for several movies.

who later became Georgia Secretary of State and a United States Congressman.

The new county seat of Newnan and its downtown district became a popular location for business as doctors, lawyers, farmers, and merchants moved into the area. Throughout the mid-1800s, Newnan became a prosperous town due to the cotton and manufacturing industry, including the well-known R.D. Cole Manufacturing Company.

By the onset of the Civil War, Newnan was well-established as the "City of Homes," known for its tremendous and beautiful homes despite being a small town. In 1863, Newnan was selected as a hospital site for the war—tending to both Union and Confederate soldiers. In July 1864, the town saw its only direct military conflict with the Battle of Brown's Mill, which resulted in Union General E.M. McCook's defeat by Confederate General Joseph Wheeler.

The early 1900s saw the boom of the cotton and manufacturing industry. Throughout the late 1800s and early 1900s, Coweta County was home to several mills, including the Newnan Cotton Mill, the East Newnan Cotton Mill, the Newnan Hosiery Mill, the Arnall Mills, and the Arnco Mills.

Like much of the country during the 1930s, Coweta County and Newnan suffered an economic downturn due to the Great Depression. Agriculture took a significant hit, with the county's farms being valued at one-third less in 1935 than in 1930. Diversification and industrial change became necessary to survive the downtown and also address the needs of WWII in the 1940s.

It was during the 1940s that Coweta County saw its most famous court case, memorialized in Margaret Ann Barnes' book Murder in Coweta County. In 1948, prominent landowner John Wallace was held without bond in the Coweta County jail for the murder of William Turner. Due to a tip from famous Meriwether County psychic Mayhayley Lancaster and the testimony of Albert Brooks and Robert Lee Gates, Wallace was convicted and sentenced to death for the murder. The case was highly unusual because Wallace was one of the richest men at the time ever to be given the death penalty, and his case was the first in Georgia where a white man was given the death sentence upon the testimony of two Black men.

Today, Newnan continues to be a thriving community that values its commerce, education, and arts. Home to Piedmont Hospital and the Cancer Treatment Centers, Newnan is still very much a hospital town, and the county is still an active place for agriculture and manufacturing. As the city has grown, so have our interests.

Coweta County is now also known for its music, arts, and movie, being the hometown to author Lewis Grizzard and Erskine Caldwell, musicians Alan Jackson, Charles Wadsworth, and Hamilton Bohannon, and site to popular television series like *The Walking Dead*.

Pioneer Town: In 1828, the city of Newnan was established. By 1829, Newnan had a courthouse as well as churches and schools to provide for the influx of pioneer families settling in the area.

Senoia HISTORICAL SOCIETY

LEARN ABOUT THE HISTORY & MAKE NEW FRIENDS

By Maureen Schuyler, Director,
Senoia Historical Society

OVERVIEW

Just a short walk from downtown Senoia, the Senoia Area Historical Society's HISTORY MUSEUM is one of the best ways to learn about this charming historic town and to meet new friends.

Located at 6 Couch St. in the historical 1870 Carmichael House, the museum provides a pleasant walk through history with artifacts ranging from ancient Native American arrowheads to today's *Walking Dead* memorabilia. When you visit the museum, you'll be greeted by a friendly tour guide, or you can browse leisurely through the five rooms of history and artifacts with a self-guided tour brochure. Either way, your museum experience will be informative and enjoyable.

LEARN THE HISTORY

Learn the story of the founding of Senoia and the origin of the town's name, see turn-of-the-last-century wedding dresses, including Mrs. Carmichael's, and enjoy a step back in time to Senoia's iconic Main Street businesses. Cutting-edge technology is also on display in the form of an early 1900 telegraph key and sender, a Farmers and Merchants Bank adding machine, an impressive 1912 NCR cash register used in Sewell's General Merchandise from the 1940s to 1970s, and a massive movie projector used more recently at Riverwood Studios. There is also an impressive exhibit dedicated to Senoians who have served our country through the United States Armed Forces – an exhibit that continues to grow as new visitors discover the opportunity to have their loved ones recognized and honored within the walls of the museum. And along with the facts and artifacts, docents share personal stories of the townspeople who have made their mark, large or small, on the town. These histories bring the story of Senoia alive with tales of bravery, of kindness, and of humor.

Director Maureen Schuyler poses by the collection of vintage Senoia paddle fans on display in the Senoia Room which features history from the 1800s to the early 1900s

The Museum

MEET NEW FRIENDS

The Senoia Area Historical Society is a 501c(3) nonprofit with a mission to preserve and promote the unique history of Senoia. And while the museum provides the perfect venue for promoting this heritage, the Society also hosts monthly programs on various themes ranging from history topics to current interest subjects. Programs are held in the Meeting Room of the museum on the second Thursday of the month, and a half-hour Meet and Greet before the program can introduce you to people who love the town and have a genuine interest in the community. The Society also hosts events throughout the year that bring together community members, like a Spring Garden Tea and a Fall Auction. These events and many others like them are another enjoyable and entertaining way to meet new friends.

GET INVOLVED

Looking for a way to get involved and make a difference in the community? When you visit the museum, talk with a docent about becoming a member of this vibrant community organization. best places to visit

NEWNAN, GA

Newnan is approximately 30 miles southwest of the state capital. It has a distinct atmosphere and history. It was founded in 1828, during the first wave of European-American settlement in the southeast of the United States.

Early Newnan was a power in the cotton industry, became rich and was fairly untouched by the Civil War. Hence, it has great examples of antebellum architecture.

HERE ARE SOME INTERESTING PLACES TO GO IN THE GENERAL AREA.

CHATTAHOOCHEE BEND STATE PARK

425 Bobwhite Way, Newnan

If you head west from downtown, you'll reach Chattahoochee Bend State Park. This is one of Georgia's largest state parks with 10 miles of hiking trails and close to some mountain bike trails.

DOWNTOWN NEWNAN

Newnan's downtown consists of nine square blocks, still in accordance with its original layout in 1828. It has spacious avenues that wrap around the Coweta County Courthouse. It was built from red-brown brick in a Greek Revivalist style in 1904, and includes a clocktower originally hand wound. Additionally, the first Carnegie library in the state is here.

DUNAWAY GARDENS

3218 Roscoe Rd., Newnan

This beautiful botanical garden area is about 5 miles north of Newnan. It extends down a hillside to five terraces. I.e. down a hillside in a series of five terraces. From the terraces, you will see sculptures and waterfalls, hanging gardens and goldfish ponds, and a granite feature called Little Stone Mountain.

GREENVILLE STREET PARK

51 Greenville St., Newnan
Just a short distance from downtown, citizens have been meeting here for many years. It has a grand entrance and two dozen Greek-style columns that lead to a fountain, terraced lawn great for picnics and with paths winding throughout. The garden has two interesting sculptures. One is a woman with a clapboard, a material commonly used to build many of the homes in the area. No two pieces of clapboard are the same and gives representation to the uniqueness of the city.

HISTORIC BANNING MILLS

205 Horseshoe Dam Rd., Whitesburg
About 10 miles away is Historic Banning Mills, featuring zip lines and wall climbing. It is really an adventure resort within a natural scenery where you can hike through the woods or ride horseback across the streams or via kayak. Afterwards, guests can visit the spa for relaxation.

FAYETTE COUNTY PARKS & RECREATION

FAYETTE COUNTY PARKS AND RECREATION – CREATE YOUR STORY!
Located about 35 minutes south of Atlanta, GA, Fayette County has become home to many that work in and around Atlanta but still want to have the low-key, hometown feel. Adding to that feeling, Fayette County Parks and Recreation Department provides the community with six public parks to enjoy and programs and events for the entire family to get involved throughout the year.

Three times each year, Fayette County Parks and Recreation Department creates their brochure – winter/spring, summer, and fall. Each brochure highlights programs and activities available in the coming months including: special events, youth programs, youth and teen sports, adult sports, physical fitness, adult programs, therapeutic programs, and leisure/learn programs.

Throughout the year, programs like therapeutic art, dog obedience, Food Truck Frenzy and adult trips are available. While the summer brochure offers summer camp for the kids and co-ed adult softball league, the winter/spring offers events like the yard sale and youth track and field. Lastly, the fall offers out-of-school field trips and the annual Candy Cane Hunt. Nothing kills a program like waiting to register, so check out everything they have to offer today!

FAYETTE COUNTY PARKS

Brooks Park is located in the town of Brooks and covers 17 acres. There you can find a pavilion, playground area, restrooms, and not only softball fields, but baseball fields too.

Kenwood Park is located on the north side of the county and covers 172 acres. It hosts a number of amenities for the community to enjoy such as a Multipurpose field, outdoor basketball courts, outdoor volleyball courts, including a sand court, tennis courts, two pavilions and playground areas, and a walking/jogging trail.

Kiwanis Park is located right down the road from the Fayette County Historic Courthouse and spans 40 acres. Home to the Kiwanis Center and administrative office for the Parks and Recreation Department, here you can also find 11 baseball fields, outdoor basketball courts, tennis courts, a pavilion and playground.

McCurry Park is east of Fayetteville and covers 130 acres. As their busiest park, it houses softball, soccer, and football fields, a disc golf course, a multipurpose field, pavilions, three playground areas and lots of walking paths!

Last, but not least are the two Lake Reservoir Parks. **Lake McIntosh** is located in Peachtree City and covers 14.5 acres. Walking trails, a pavilion, a playground area, gazebo, and boat ramp with two boat docks bring people here for all sorts of family activities. **Lake Horton** is located on the south side of the county and spans 82 acres. Bikers and walkers alike enjoy the trails here, as well as the two pavilions, playground area, boat ramps and fishing.

LOCAL TIP

"Farmers' markets – Downtown Newnan first Saturday of the month; Senoia Farmers' Market."
– **Kristen H.**

Each of Fayette County's parks have opportunities to rent fields and picnic pavilions to host small family, group outings or a pickup game with your buddies. Rentals can be made at the administrative office up to six weeks prior to the date of your occasion.

IS YOUR HOME READY FOR SUMMER STORMS?

3 Simple Ways to Improve Electrical Safety at Home:

Check Your Outlets & Breakers

Warm outlets, flickering lights, or frequently tripped breakers can be early signs of electrical issues. Don't ignore the small stuff.

Avoid Overloading Circuits

With more devices plugged in than ever, it's easy to overload outlets and power strips. Spread out usage to reduce strain on your system.

Upgrade Outdated Panels

Older electrical panels may not keep up with today's power demands. A professional inspection can help determine if an upgrade is needed.

Find The Perfect Non-Profit To Volunteer With!

Coweta F.O.R.C.E.

RiverLife
livetheriverlife.com ▸ We partner with nonprofits and other organizations in our community to identify people in need of yard cleanup, exterior home repair, and wheelchair ramp access. Our RiverLife team coordinates and leads these volunteer opportunities to create a meaningful experience for those serving and to safely and respectfully meet the needs of those served.

More Music Foundation
moremusicfoundation.org ▸ More Music Foundation is committed to providing services that teach and reach our children through the love of music. We partner with local teachers, schools, and community leaders to provide after-school guitar and piano lessons.

A Better Way Ministries – Peachtree City
abetterwayministries.com ▸ To provide housing, counseling, and rehabilitation services to men dealing with drug and alcohol addictions

Newnan/Coweta and Howard Warner Boys and Girls Clubs
bgcma.org/club/newnan
bgcma.org/club/howardwarner
The two local Boys & Girls Clubs work with hundreds of kids and teens each year to help them reach their full potential. We provide an environment where all youth feel safe and secure to dream, discover, and develop. Our programs focus on helping kids succeed in school, live healthy, and become leaders.

Chattahoochee River Keepers
chattahoochee.org ▸ This is our calling: To ensure enough clean water in the Chattahoochee River now and for future generations. We teach students, homeowners, businesses and policy-makers the importance of clean, plentiful water. We conduct research, patrol the river, collect and monitor data, review permits, and hold polluters accountable.

Coweta Community Foundation
cowetafoundation.org ▸ The Foundation manages funds that directly support a variety of community interests such as women's and children's issues, public safety, education, and the arts. The foundation's recent focus is the tornado relief efforts in the Newnan area that affected 1,700 homes and was the worst tornado in Georgia since 1951.

Elevate Coweta Students
elevatecowetastudents.org ▸ The mission of the Mentor program is to connect community members and school resources to foster the development of a caring relationship between a responsible adult and a student in the Coweta County school system. This relationship will help strengthen the ability of the student to overcome adverse circumstances, stay in school and become a more productive citizen not only in school but at home and in our community.

Coweta CASA
cowetacasa.org ▸ We recruit, train and support citizen-volunteers to advocate for the best interests of abused and neglected children in our courts and communities. With a CASA volunteer, a child is half as likely to languish in foster care and the child welfare system, and he or she is that much more likely to find a safe, permanent home.

Newnan Coweta Humane Society
nchsrescue.org ▸ Newnan-Coweta Humane Society (NCHS) is a 501(c)3 non-profit organization dedicated to reducing the number of pets euthanized in Coweta County. Though we are not Coweta County Animal Services, we work closely with that organization and many more to be as impactful as we can.

Keris Kares

keriskares.org ▸ It is our mission to provide hope for families dealing with a childhood cancer diagnosis by providing spiritual, emotional, and financial support. Keris Kares hosts several events to spread awareness about Pediatric Cancer. The funds raised from these events directly support families in need.

Backstreet Community Arts

backstreetart.org ▸ Backstreet Community Arts exists to provide a safe, welcoming, creative environment to anyone who may benefit from the healing power of art and community. Backstreet Arts reaches out to adults who may not be aware of or have access to the proven healing power of art: those who have experienced trauma, illness, or grief; veterans; homeless and limited-income individuals who cannot afford art classes, and anyone who wants to practice art in a comfortable, non-intimidating, inclusive atmosphere.

One Roof

oneroofoutreach.org ▸ We provide food, clothing, and financial assistance to those in need, as well as help with shelter. We also run a thrift store to help support our non-profit mission. Serving over 6000 families per year, One Roof helps lift up those in need through material and spiritual support.

Bridging the Gap

btgcommunity.org ▸ BTG Community Outreach, Inc. (locally known as Bridging the Gap) is a nonprofit organization based in Coweta County, Georgia. We provide food, clothing, and household goods to people who are struggling in our community. The mission of BTG is to provide assistance to hungry, homeless, and hurting people. Bridging the Gap achieves its mission in three ways: Feed; Serve; Restore

CORRAL

corraltrc.org ▸ CORRAL was formed in the fall of 1987 to provide therapeutic horseback riding facilities and instruction for the mentally and physically challenged. Operating out of the historic Sewell barn in Roscoe, CORRAL started in the spring of 1988. There have been continuous renovations of the barn to provide better facilities for the horses and the students. We look forward to future progress with the continued support of the community.

Fayette Humane Society

fayettehumane.org ▸ Incorporated in 1973, the Fayette Humane Society (FHS) is the oldest nonprofit humane organization in Fayette County, Georgia. The FHS, staffed entirely by volunteers, is a 501(c)(3) nonprofit organization and is supported entirely by individual and corporate donations. Because we do not have a shelter, all of the animals we rescue live in temporary foster homes until they are adopted. We believe that all companion pets have intrinsic value and should be treated with the reverence and care they deserve.

Newnan Coweta Habitat for Humanity

nchfh.org ▸ Incorporated in 1993, Newnan-Coweta Habitat for Humanity is an affiliate of Habitat for Humanity International and serves Coweta County, Georgia. Over the past 25 years, NCHFH has constructed new homes, renovated and repaired existing homes, and contributed to projects that support local neighborhood revitalization efforts. In addition to these efforts, NCHFH has tithed funds from its local operation to support relief efforts for 26 families internationally.

Backpack Buddies of Georgia

backpackbuddiesga.org ▸ Backpack Buddies provides economically disadvantaged children in the Coweta County School System with food for the weekend. Many children in our county are dependent on the "Free and Reduced" lunch program provided by their schools during the week, and they have very little to eat over the weekends and holidays. We work with school counselors to identify children "at risk" for hunger and then we supply them with nutritious, self-serve food that will sustain them when school meals are not available. We are currently serving 1,150+ children in 33 schools, which is only scratching the surface of the true need here in Coweta County.

Abby's Angels Foundation

abbysangelsfoundation.org ▸ Abby's Angels Foundation was created in August 2013 to forever honor 9-year-old Abby Bacho. With the assistance of guidance counselors and teachers, school supplies are provided to students with limited resources through Abby's Closet. Abby's Closets are colorful nooks that give much more than the pencils, crayons, and notebooks they stock. These warm cheerful spaces also provide encouragement and inspiration to succeed. Abby's Angels also spreads awareness and education regarding safe teen and hands-free driving.

VENUE VIBES

THE BEST LIVE MUSIC VENUES FROM NEWNAN TO PTC

John Hensley

One advantage of living south of Atlanta is knowing you can hop in your car and see the top bands in the world at major stadiums - and only about 45 minutes away.

But if you are into great local music, you are in luck. This area is known for some pretty amazing singers and songwriters, including Alan Jackson, who hails from the city of Newnan.

We have dozens of great bars, music halls, amphitheaters, breweries, and other outdoor venues to please any taste. Rock n' Roll, country, Americana, folk, jazz, hip hop... we have it all.

So check out some popular venues that feature the best in local music.
